

(iv) An instrument, in form and substance satisfactory to CCC, subrogating to CCC the respective rights of the exporter and the exporter's assignee, if applicable, to the amount of payment in default. The instrument must reference the applicable foreign bank letter of credit and the related obligation, if applicable; and

(v) A copy of the evidence of export report(s) previously submitted by the exporter to CCC pursuant to § 1493.280.

(c) *Subsequent claims for defaults on installments.* The exporter or an exporter's assignee need only provide one claim which meets full documentation requirements relating to a covered transaction. For subsequent claims relating to such failures of the foreign bank to make scheduled installments on the same export, the exporter or the exporter's assignee need only submit to CCC a notice of such failure containing the information stated in paragraphs (b) (1), (2), and (3) of this section; an instrument of subrogation as per paragraph (b)(4)(iv) of this section, and the date the original claim was filed with CCC.

§ 1493.310 Payment for loss.

(a) *Determination of CCC's liability.* Upon receipt in good order of the information and documents required under § 1493.300, CCC will determine whether or not a loss has occurred for which CCC is liable under the facility payment guarantee, this subpart, program announcement(s) and notice(s) to participants. If CCC determines that it is liable to the exporter or the exporter's assignee, CCC will pay the exporter or the exporter's assignee in accordance with paragraphs (b) and (c) of this section.

(b) *Amount of CCC's liability.* CCC's maximum liability for any claims for loss submitted with respect to any facility payment guarantee, not including any late interest payments due in accordance with paragraph (c) of this section, will be limited to the lesser of:

(1) The guaranteed value as stated in the facility payment guarantee, plus eligible interest; or

(2) The guaranteed percentage (as indicated in the facility payment guarantee) of the exported value indicated

in the evidence of export report (§ 1493.280(a)(7)), plus eligible interest.

(c) *Late interest payment.* If a claim is not paid within one day of receipt of a claim which CCC has determined to be in good order, late interest will accrue in favor of the exporter or the exporter's assignee beginning with the first day after the claim was found by CCC to be in good order and continuing until and including the date that payment is made by CCC. Late interest will be paid on the guaranteed amount, as determined by paragraphs (b)(1) and (2) of this section, and will be calculated based on the latest average investment rate of the most recent Treasury 91-day bill auction as announced by the Department of Treasury as of the due date.

(d) *Accelerated payments.* CCC will pay claims only for losses on amounts not paid as scheduled. CCC will not pay claims for amounts due under an accelerated payment clause in the export sales contract, the foreign bank's letter of credit, or any obligation owed by the foreign bank to the assignee U.S. financial institution which is related to the foreign bank's letter of credit issued in favor of the exporter, unless it is determined to be in the best interest of CCC by the Controller, CCC. Notwithstanding the foregoing, CCC at its option may declare the entire amount of the unpaid balance, plus accrued interest, in default and make payment to the exporter or the exporter's assignee in addition to such other claimed amount as may be due from CCC.

(e) *Action against the assignee.* Notwithstanding any other provision in this subpart to the contrary, with regard to the value of goods or services covered by a facility payment guarantee, CCC will not hold the assignee responsible or take any action or raise any defense against the assignee for any action, omission or statement by the exporter of which the assignee has no knowledge, provided that:

(1) The exporter complies with the reporting requirements under § 1493.270 and § 1493.280 excluding post-export adjustments (i.e., corrections of evidence of export reports); and

(2) The exporter or the exporter's assignee furnishes the statements and documents specified in § 1493.300.
